

# Ankush Shankar Pujari

19 July 1993

+91 8796310194

Mechanical Engineering Dept.  
Indian Institute of Technology,  
Bombay,  
Powai, Mumbai, 400076

pujari.ankush@iitb.ac.in

## Education

M.tech Energy Technology |  
2016 | CGPA 8.3/10 |

B.E. Mechanical Engineering |  
2014 | First Class |

Class XII |  
2010 | First Class |

## Skills

Design : Auto CAD, Solid Works

Programming : C++, Basics of Python

Languages: English, Hindi, Marathi

## Strengths

Improviser  
Fast Learner  
Mentor  
Hardworking

## About

As an enthusiastic student of Mechanical Engineering I wish to work for the betterment of society through continuous acquisition of knowledge and practical experience.

Research Student at Indian Institute of Technology, Bombay

## Work Experience

June 2016 - Dec 2018

Assistant Professor - KBP College of Engineering | Satara 2.5 Years  
Working as Assistant Professor gives me an opportunity to learn the subject related to Thermal Engineering with sound understanding while explaining to the students. Guiding students in industrial projects was a great opportunity to work on real time industrial problems in the field.

## Workshops

Jan 2018 Design and Development of Air Conditioning System  
Cllege of Engineering Pune | 1 Week STTP

May 2016 Distributed Multimode Renewable Energy Systems  
National Intitute of Technology, Raurkela | 1 Week STTP

## Industrial Training

June 2015 Energy Efficiency in Industrial utilities  
Kirloskar Oil Engines Limited, Kagal Plant, Kolhapur | 6 Months

Jan 2015 Energy Efficiency in Industrial utilities  
Petroleum Conservation Research Association PCRA India  
- Tata Motars, Sanand | 0.5 Months  
- LPG Bottling Plant, BPCL, Manmad | 0.5 Months

Mar 2013 Hydroelectric Power Station Operation and Maintenance  
Koyna Electricity Generation complex, MAHAGENCO | 0.5 Months

## Professional Memberships

ISHRAE Society of Heating, Refrigerating and Air Conditioning Engineers  
Member | July 2018 -

ISTE Indian Society for Technical Education  
Life Time Member | Oct 2016 -

## Research and Projects
